

Haochen Chen

INFORMATION

Phone **13634803957**.

Email **gtmacchc@gmail.com**.

Homepage **ir.hit.edu.cn/~hcchen** .

EDUCATION

2008.09–2012.06 **Harbin Institute of Technology**, *Department of Computer Science*, Bachelor's degree.

2012.09–Now **Harbin Institute of Technology**, *Department of Computer Science*, Lab of Social Computing and Information Retrieval, Master Degree Candidate.

RESEARCH INTERESTS

- Social Network, Natural Language Processing, Search Engine

SKILLS

- Proficient at C, C++
- Familiar with Java, Python, Shell scripts
- Proficient at classical algorithms and data structure
- Familiar with machine learning models like SVM and Deep Learning
- Familiar with Linux
- Interested in Hadoop, MapReduce, Hbase

AWARDS AND HONORS

Honorable Mention	ACM World Final	2010.02
Gold Medal	ACM/ICPC Asia Wuhan Regional Contest	2009.11
Rating 1907	Codeforces	Now

EXPERIENCE

- 2011 **Software Engineering Intern, Tencent Inc., Shenzhen, China.**
 - Performance analysis of some basic operations in C
- 2012 **Finding the chain between 2 arbitrary users on microblog.**
 - Implements an bidirectional BFS algorithm and hash algorithm
- 2012 **Develop a DEMO of Commercial Intent Analysis.**
- 2013 **Develop a system to predict movies' box office.**

COLLEGE EXPERIENCE

- 2010 **Teacher Assistant**, *The C programming language*.
- 2008-2010 **ACM/ICPC Club.**
 - Captain of team in 2009-2010
 - Give lectures about computational geometry in ACM/ICPC Club training
